**We hope you will be in Winter Park for the 2023 Nonprofits Count Conference!**

### **REGISTRATION IS NOW OPEN**

Nonprofits Count! is FNA's bi-annual gathering that brings the leaders of our state's nonprofits together to discuss advocacy and the state of our sector. Join 125 of your nonprofit peers in Orlando for a full day of networking, learning, discussing, sharing, and planning.

The 2023 Nonprofits Count! theme is Impact for Today and Tomorrow, a recognition of all our sector currently does in our communities and a chance to design what the future could look like with our influence. This year, we will be incorporating both a focus on wellness throughout the day, thanks in large part to our conference host, The Center for Health and Wellbeing and on peer-learning – each session will include time for attendees to discuss and interact.

This event is perfect for CEOs, Board members, policy staff, and anyone else who is interested in how public policy, research, and civic engagement affects the nonprofit sector in Florida.
