

FNA Member Update

June 30, 2023

STRENGTH IN NUMBERS: ECONOMIC IMPACT OF FLORIDA'S NONPROFIT SECTOR

Now available!

Updated data on the employment and revenue generation that the sector has, both statewide and at the regional and county level is now available on FNA's website. Plus, for the first time, you have access to a Practical Action Guide that walks you through exactly how to use the data at your organization.

- [Click here](#) to download the practical action guide and view the recording of the research release
- [Click here](#) to see the updated interactive data dashboard

FNA will be on the road over the next few months presenting this new Economic Impact data and highlighting the regional and county level data. Come visit us at one of the events below, or let us know if you would like us to come to your community!

- Broward – July 19. [Register here.](#)
- Sarasota – July 20. [Register here.](#)
- Tampa Bay – August 15. [Register here.](#)
- Brevard – September 8. Registration coming soon

Thank you to the Jessie Ball duPont Fund for sponsoring this research

ONE MONTH LEFT OF CONFERENCE EARLY BIRD PRICING!

Join us for the 2023 Nonprofits Count Conference: Impact for Today and Tomorrow! September 29, 2023

Nonprofits Count! is FNA's bi-annual gathering that brings the leaders of our state's nonprofits together to discuss advocacy and the state of our sector. Join 125 of your nonprofit peers in Orlando for a full day of networking, learning, discussing, sharing, and planning.

The 2023 Nonprofits Count! theme is *Impact for Today and Tomorrow*, a recognition of all our sector currently does in our communities and a chance to design what the future could look like with our influence. This year, we will be incorporating both a focus on wellness throughout the day, thanks in large part to our conference host, The Center for Health and Wellbeing and on peer-learning – each session will include time for attendees to discuss and interact.

This event is perfect for CEOs, Board members, policy staff, and anyone else who is interested in how public policy, research, and civic engagement affects the nonprofit sector in Florida.

[Click here for more information and to register.](#)

Early bird rates are available until July 31st, so don't delay!

THIRD QUARTER CALENDAR

GRANT OPPORTUNITIES

Volunteer Florida: Volunteer Generation Fund

DEADLINE: August 11, 2023

Volunteer Florida's VGF program will provide sub grants to an estimate of twenty-five (25) organizations serving the needs of Floridians, and will also provide each organization with relevant, comprehensive training with an emphasis on increasing the number of skills-based volunteers, service hours, and types of activities. Funding will strengthen the capacity of volunteer organizations to identify resources, challenges, and areas of need. Subgrantees will receive comprehensive training, funding for program enhancements and ongoing technical assistance, and coaching to establish or strengthen a skills-based volunteer program. [Click here](#) for more information.

Outschool.org Community Partner Grant Program

DEADLINE: August 1, 2023 (Priority deadline: July 18)

The Outschool.org Community Partner Grant Program supports innovative microschools, homeschooling cooperatives, community-based organizations, and K-12 districts and charter schools looking to provide high-quality, enriching, and learner-led education. Through the current cohort, Outschool.org seeks at least eight organizations that are aiming to close academic achievement or enrichment gaps for BIPOC and economically marginalized learners. Outschool.org is particularly interested in helping families, programs, and organizations maximize direct-to-family education funding programs such as Education Scholarship Accounts, microgrants, and tax credit programs. [Click here](#) for more information.

Justice40 Accelerator

DEADLINE: July 31, 2023

The Justice40 Accelerator supports climate and environmental justice organizations in building their capacity, partnerships, and readiness to access government funding to implement community-designed solutions. The Accelerator is a 12-month long learning community that provides project development support and technical assistance to cohort members in order to competitively apply for grant funding. Cohort members also receive a \$25,000 unrestricted grant to help support the organization's staff participation during the Accelerator. Applicants must identify a project that addresses one of the following areas: climate change resilient infrastructure, clean energy and energy efficiency, clean transportation, affordable and sustainable housing, sustainable agriculture and food systems, the remediation and reduction of legacy pollution, clean water and waste infrastructure, and training and workforce development related to any of these areas. In addition, applicants must have majority BIPOC leadership and serve BIPOC-majority communities; have the ability and interest to participate in the Accelerator offerings; and intend to apply, with Accelerator assistance, for public funds.
