Nonprofits Count! is FNA's gathering that brings the leaders of our state's nonprofits together to discuss advocacy and the state of our sector. In attendance will be approximately 125 key influencers for nonprofits: CEOs, board members and public policy staff from across Florida. Over the course of the day, there is ample time to network with attendees during breaks, and over lunch so sponsors can get to know the decision-makers and share the work that their organizations are doing with nonprofits.
