

UTILITY SERVICE TECHNICIAN CREW LEADER

City of Belleview Public Works is seeking applications for the position of Utility Service Technician Crew Leader for their Utilities Department.

This leadership and supervisory position is responsible for the oversight of the water and sewer field operations, specifically supervising the Utility Service Technicians I, II and III. This position ensures the daily work orders are distributed and completed in an accurate and timely manner. This position may also require a significant amount of routine manual labor involving general maintenance, construction, and manual labor activities. This position works under the direct supervision of the Field Operations Manager and the general supervision of the Public Works Director.

Minimum Qualifications:

1. Must possess a high school diploma or GED.
2. Four years' City water and sewer experience; or 4 years general w/s operations experience; or 4 years plumbing installation experience; or 4 years underground utilities construction experience; or any combination thereof.
3. Must possess a valid Florida Driver's License, Class B CDL.
4. Must possess and keep current a State of Florida, Class 2 Water Distribution System Operator's Certificate.
5. Must possess and keep current a State of Florida Department of Transportation Maintenance of Traffic (MOT) certificate.
6. Must live within 15 miles or 30 minutes of the PW offices and will to participate in an "On Call" service rotation program.

The pay range for this position is \$27.01 – \$41.74 per hour depending on qualifications along with a healthy benefit package. Position will remain open until filled. Interested persons can apply online at
