

Job Title: Lift Station Technician

Location: Polk County, Florida

Job Type: Full-Time

Pay Rate: \$20 - \$30 per hour (Based on experience and certifications)

Job Summary:

We are seeking a skilled **Lift Station Technician** to join our team in Polk County, Florida. The ideal candidate will be responsible for the maintenance, repair, and troubleshooting of wastewater lift stations, pumps, and related equipment to ensure efficient and reliable operation. This position requires a detail-oriented individual with experience in mechanical and electrical systems, as well as the ability to respond to emergency situations.

Key Responsibilities:

- Perform routine maintenance, inspections, and repairs on wastewater lift stations, pumps, valves, floats, and electrical control panels.
- Troubleshoot and diagnose mechanical, electrical, and control system issues.
- Clean wet wells, remove debris, and ensure proper pump operation.
- Test and replace motors, pumps, seals, bearings, and other lift station components as needed.
- Monitor SCADA systems and respond to alarms and system failures.
- Maintain accurate service records, work logs, and compliance reports.
- Ensure compliance with **Florida Department of Environmental Protection (FDEP)** regulations and safety protocols.
- Work closely with operators, electricians, and management to optimize system performance.
- Be available for emergency on-call duty as needed, including nights, weekends, and holidays.

Qualifications:

- **Experience:** Minimum of **2 years of experience** working with wastewater lift stations, pumps, and electrical control systems.
- **Knowledge of:**

- Wastewater collection systems and pump operations.
- Electrical troubleshooting (including 3-phase motors and control panels).
- SCADA monitoring and alarm systems.
- Florida DEP regulations for wastewater system operation.
- **Skills:**
 - Strong mechanical and electrical troubleshooting abilities.
 - Ability to read and interpret blueprints, schematics, and electrical diagrams.
 - Proficiency in using diagnostic tools, multimeters, and hand tools.
 - Basic computer skills for data entry and reporting.
- **Physical Requirements:**
 - Ability to lift up to 50 lbs.
 - Work in confined spaces and various weather conditions.
 - Ability to stand, kneel, and climb ladders as needed.
- **License Requirements:**
 - **Valid Florida Driver's License Required.**
 - **Wastewater Collection System Certification (preferred but not required).**

Benefits:

- Competitive hourly wage (\$20 - \$30/hr) based on experience.
- Health, dental, and vision insurance options.
- Paid time off and holidays.
- Opportunities for professional growth and certification advancement.

How to Apply:

Interested candidates should submit their resume and relevant certifications to BenjaminBurge@bentechllc.net or call **863 632 8001** for more information.
