

UTILITIES ENGINEERING MANAGER

City of Punta Gorda

Ready to take the lead on projects that help keep our community running? The City of Punta Gorda is seeking an experienced **Utilities Engineering Manager** to lead Utilities Engineering and provide technical expertise for utility construction and improvement projects.

WHAT YOU'LL DO

You'll help shape and deliver critical utility infrastructure projects while leading a team of Project Managers and Engineering Technicians. Responsibilities include **designing and developing utility projects, overseeing projects during construction, coordinating with developers, engineers and contractors, preparing permits and bid documents, reviewing construction plans, and supporting the City's GIS program.**

WE'RE LOOKING FOR SOMEONE WITH:

- **Bachelor's Degree in Civil Engineering**
- **3 years of experience** designing and managing municipal public works projects
- **Registered Professional Engineer in the State of Florida**
- Strong leadership, project management, engineering and communication skills

SALARY \$91,811.20 – \$146,889.60 annually

BENEFITS THAT WORK FOR YOU - Build your career with benefits designed to support you both now and in the future:

- **100% City-paid employee medical premium**, with the City paying **50% of dependent premiums**
- **100% City-paid employee dental premium**, with a **\$3,000 annual benefit per person**
- **\$20,000 City-paid Life & AD&D insurance**
- **11 recognized paid holidays**
- **10 vacation days annually**, plus **12 sick days per year**
- **General Employees' Pension Plan** with 5-year vesting, plus the opportunity to contribute to a **457 deferred compensation plan**
- **Educational assistance** and a **free, confidential Employee Assistance Program (EAP)**

BUILD. LEAD. MAKE AN IMPACT.

Bring your engineering expertise and leadership skills to a position where your work directly supports the infrastructure and services our community depends on.
