

MORE ON FOCUS ON CHANGE

To register online with a credit card, go to our website (www.frwa.net) and click on "Focus on Change" (<https://www.frwa.net/focus-on-change-preview>).

If you prefer to pay by check, please list each attendee and type of registration they request to the left of each name on the Registration Form in the agenda. Types of registrations are: "A" for attendees not wishing to earn CEUs, "C" for attendees wishing to earn CEUs, or "P" for professional engineers wishing to earn PDHs. Additional attendees for the same site may be listed on an additional sheet of paper. If attendees are attending different sites, please use separate registration form for each site by checking the box beside the site on each page. Company checks can be mailed to: Florida Rural Water Association, 2970 Wellington Cir, Tallahassee FL 32309. No personal checks or purchase orders will be accepted.

The training is provided at no charge, however an Administrative/Processing fee (to ensure proper records are kept, tracked, and submitted per DEP requirements) of \$90.00 will be charged to those wishing to earn CEUs and pre-register. Those employed by a current member system will receive a discount (registration will be only \$60.00) if registration is received at least five business days prior to the event. The fee is payable by money order, cashier's check, credit card, or member system company check. (No personal checks or purchase orders will be accepted via fax or mail.)

Attendees may earn 0.6 Drinking Water and/or Distribution System CEUs or 6 hours of PDHs if they attend the morning session and the Water Session in the afternoon. Attendees may receive 0.6 Wastewater license CEUs if they attend the morning session and the Wastewater Session in the afternoon. Please check the correct box on the registration form.

Those wishing to attend a **second** Focus seminar will receive only 0.3 CEUs toward their *other* (water/wastewater/distribution system) license for the afternoon session, since the morning session will be a duplication in all Focus seminars. *Attending more than two sessions is duplication and CEUs cannot be awarded for duplicate sessions.*

Professional Engineers can earn 6.0 PDHs for a \$90.00 registration fee. PDHs will not be awarded unless registered as a PE and payment is received.

Any registration or payment received by FRWA less than five business days prior to the event will be \$110.00 for Members and \$140.00 for Non-Members. **There will be no registration payment accepted at the door or taken over the telephone.**

Classes and registration will begin at 8:00 am with lunch on your own from 12:00 pm-1:00 pm. Classes end at 4:00 pm. All attendees must remain until 4:00 pm and complete a CEU form that will be handed out at the end of the session in order to receive CEUs for your attendance.

CEUs will be submitted to DEP by FRWA by the 2025 CEU deadline as required by DEP. CEUs earned at this class cannot be applied to the 2027 cycle.

Questions related to your records for FRWA sessions should be directed to FRWA, not DEP. An attendee that leaves the room while the session is in progress may jeopardize their CEUs for that session. FRWA understands and realizes emergencies and special situations will occur, but will be unable to jeopardize the whole CEU program for one individual's special situation. We apologize for this.

To ensure seating even if you do not need CEU/PDH credits, please register online at www.frwa.net or mail your registration to the Florida Rural Water Association, 2970 Wellington Circle, Tallahassee FL 32309. Information cannot be taken over the telephone.

For more information, please check out our website at www.frwa.net or contact FRWA at 850.668.2746
