ABOUT FOCUS ON CHANGE

The Florida Rural Water Association (FRWA) presents *the thirty-first annual "Focus on Change" Seminar* in conjunction with the Florida Department of Environmental Protection (DEP). These sessions are designed to provide the most current regulatory information available to utilities. FRWA is pleased to announce that the DEP Water, Wastewater, and Operator Certification Sections will be participating.

You will notice that this year's agenda includes several timely topics in the General Session and Breakout Sessions. You are encouraged to take the time to join us for what we anticipate to be an informative Training Seminar. **FRWA will not be providing the presentations book this year in order to comply with the Department of Environmental Protection's Paperless Initiative Act. You can however download the presentations from our website prior to the event if you wish to bring them with you or re-view.**

There is no charge for admittance for those not wishing to earn CEUs/PDHs, however you must pre-register as seating is limited. If you wish to receive CEUs/PDHs for the session a CEU/PDH processing fee will apply.

TENTATIVE AGENDA

For your convenience all presentation materials and rules and forms will be made available on the FRWA website at www.frwa.net. Download prior to the sessions if you would like to print them and bring them with you.

FOCUS SESSIONS and CEUs

- Attendees may earn 0.6 Drinking Water and/or Distribution System CEUs or 6 hours of PDHs if they attend the morning session and the Water Session in the afternoon. Attendees may receive 0.6 Wastewater license CEUs if they attend the morning session and the Wastewater Session in the afternoon. Please check the correct box on the registration form.
- Those wishing to attend a **second** Focus seminar will receive only 0.3 CEUs toward their *other* (water/wastewater/distribution system) license for the afternoon session, since the morning session will be a duplication in all Focus seminars. *Attending more than two sessions is duplication and CEUs cannot be awarded for duplicate sessions.*
- This training is provided at no charge, however an Administrative/Processing fee (to ensure proper records are kept, tracked, and submitted per DEP requirements) of \$65.00 will be charged to those wishing to earn CEUs and pre-register. Those employed by a current member system will receive a discount (registration will be only \$35.00) if registration is received at least five business days prior to the event. The fee is payable by money order, cashier's check, credit card, or member system company check. (No personal checks or purchase orders will be accepted via fax or mail.)
- Any registration or payment received by FRWA less than five business days prior to the event will be \$85.00 for Members and \$115.00 for Non-Members. **There will be no registration payment accepted at the door or taken over the telephone.**
- Questions related to your records for FRWA sessions should be directed to FRWA, not DEP.
- An attendee that leaves the room while the session is in progress may jeopardize their CEUs for that session. FRWA understands and realizes emergencies and special situations will occur, but will be unable to jeopardize the whole CEU program for one individual's special situation. We apologize for this.
- To ensure seating even if you do not need CEU/PDH credits, please register online at www.frwa.net or mail your registration to the Florida Rural Water Association, 2970 Wellington Circle, Tallahassee FL 32309. Information cannot be taken over the telephone.*
