CEU INFORMATION

This class provides 0.5 CEUs for wastewater, drinking water, and distribution system operators. You must preregister for this class if you wish to attend in order to reserve your seat. This class is subject to cancellation if registration is less than 10 attendees within 5 working days of the class. If the class is cancelled, FRWA will notify you and may only refund one half of your registration fee due to administrative cost. Please be sure to provide your correct email address on the registration form so we can contact you in case of cancellation. FRWA encourages the utility where the training class is to be held and all attendees who register to contact others to register for the training class to prevent cancellation.

You may register online at www.frwa.net or email it to Admin@frwa.net. To register by mail, please complete this form and mail it to FRWA 2970 Wellington Circle Tallahassee, FL 32309.

Due to problems associated with CEU forms, all forms must be obtained, completed, and submitted at the end of each session to be accepted.

SEATING IS LIMITED SO GET YOUR REGISTRATION IN EARLY!
PLEASE BRING A LAPTOP OR TABLET FOR THIS TRAINING

Diamond Maps/Water Tracker Training

Presented by

Florida Rural Water Association
2970 Wellington Circle
Tallahassee, FL 32309
850-668-2746

0.5 WW or DW/DS CEUs

**June 25, 2024
Cairo GA**

SEMINAR OBJECTIVE

This training is intended to help you better understand how to use Diamond Maps and Water Tracker for your systems. Diamond Maps to help map and track your assets, along with assessing them and using during an emergency response issue, Water Tracker will be hands on also, this will give you a good idea how to post your needs and resources, how to let DEP and others know your status and respond during emergencies.

Please bring a laptop or tablet for this training.
