## About this class...

This is a four day class and is intended for those applicants who have not completed their educational requirements for the State of Florida, Certified Water Distribution Operator Examination. This class will provide a Certificate of Completion that will meet the educational requirements for the Level 1, 2 and 3, State of Florida, Water Distribution Operator Examination. No CEUs will be issued for this class.

Please note that ***you must attend all four days of the class and successfully complete an examination on the last day of this class to receive a Certificate of Completion***. The Certificate provides proof of educational eligibility to sit for the State Water Distribution Certification Exam. DEP requirements may be found on the Florida DEP Website at:
