## REGISTRATION INFORMATION

Registration must be submitted to FRWA if you wish to attend the training class. There is an Administrative Fee of \$35.00 for FRWA members and \$65.00 for non-members. Members who host the training class will pay a reduced rate of \$20.00 for their attendees. Payment may be made by organization check, cashier's check, and money order, Visa or MasterCard. If the administrative fee is paid less than five days prior to, or within ten days after the seminar, the fee will be \$85.00 for members and \$115.00 for non-members. No payments will be accepted at the seminar or over the phone. You may fax your registration to 850.893.4581, or mail it to FRWA at 2970 Wellington Circle, Tallahassee FL. 32309. FRWA must receive your written registration in order to reserve your seat. This class is subject to cancellation if registration is less than 10 attendees within 5 working days of the class. If the class is cancelled, FRWA will notify you and may only refund one half of your registration fee due to administrative cost. Please be sure to provide your correct email address on the registration form so we can contact you in case of cancellation. FRWA encourages the utility where the training class is to be held and all attendees who register to contact others to register for the training class to prevent cancellation

Seating is limited to sixty attendees so get your registration in early.

## DW B/C/D Level Certification Review Registration (070720MA)

There is an Administrative Fee for each attendee of \$35.00 for FRWA Members and \$65.00 for non members. You may register online at [www.frwa.net](http://www.frwa.net) or mail your payment to FRWA, 2970 Wellington Circle, Tallahassee FL 32309

# Seminar Objective

This class is intended as a refresher course for those applicants who are planning on taking their Class B, Class C or Class D Drinking Water Treatment Plant (WTP) Operator examination. The class also provides an educational certificate to those considering a career in the Water Treatment Operations Industry as a Class D WTP operator. Successful completion of this class meets the State of Florida educational requirements for a Class D Certified Water Treatment Plant Operator. This class does not substitute for the Class B or C educational requirements that must be obtained through the Sacramento State Program or through an approved DEP Service Provider. Applicants should bring a calculator to the class.
