## CEU INFORMATION

This class provides 0.6 DW/DS or WW CEUs/6 PDHs. You must preregister for this class if you wish to attend in order to reserve your seat. This class is subject to cancellation if registration is less than 10 attendees within 5 working days of the class. If the class is cancelled, FRWA will notify you and may only refund one half of your registration fee due to administrative cost. Please be sure to provide your correct email address on the registration form so we can contact you in case of cancellation. FRWA encourages the utility where the training class is to be held and all attendees who register to contact others to register for the training class to prevent cancellation.

You may register online at [www.frwa.net](http://www.frwa.net) or email it to [Admin@frwa.net](mailto:Admin@frwa.net). To register by mail, please complete this form and mail it to FRWA 2970 Wellington Circle Tallahassee, FL 32309.

Due to problems associated with CEU forms, all forms must be obtained, completed, and submitted at the end of each session to be accepted.

***Make plans to attend this Workshop. We welcome operators and managers of small and large water and wastewater systems!***

**Tallahassee FL 32309**

**850-668-2746**

**0.6 DW/DS or WW CEUs/6 PDHs**

**March 21, 2025  
Lake City Water Plant  
Lake City FL**

## Workshop Objectives

This workshop was designed to give Water and Wastewater Utility staff hands on training in Emergency Preparedness, Response, and Recovery.

Items covered will include:

- ⇒ How to update Emergency Response Plans
- ⇒ Provide experiences and lessons learned from past natural or man-made emergencies

This workshop will also provide training in the Water-Tracker Program used during an Emergency Response.

Items covered will include:

- ⇒ How to update Emergency Contacts
- ⇒ How to post needs and/or available resources during an emergency event
- ⇒ How to complete and upload a Mutual Aid Agreement

## Materials Suggested

Attendees are encouraged to bring a copy of your utility's Emergency Response Plan(s). A laptop, tablet or smart phone with access to internet will also be needed to work in WaterTracker.
