## CEU INFORMATION

This Class provides .6 CEUs for wastewater operators and 6.0 PDHs for Professional Engineers. Registration must be submitted to FRWA if you wish to attend the training class. There is no charge for those not wishing to receive CEUs, however if you wish to receive CEUs there is an Administrative Fee of \$35.00 for FRWA members and \$65.00 for non-members. Members who host the training class will pay a reduced rate of \$20.00 for their attendees. Engineers must pay the PE fee of \$75.00 to earn PDHs. If the administrative fee is paid less than five days prior to, or within ten days after the seminar, the fee will be \$85.00 for members and \$115.00 for non-members. No payments will be accepted at the seminar or over the phone. You may fax your registration to 850.893.4581, or mail it to FRWA at 2970 Wellington Circle, Tallahassee FL 32309. FRWA must receive your written registration in order to reserve your seat. This class is subject to cancellation if registration is less than 10 attendees within 5 working days of the class. If the class is cancelled, FRWA will notify you and may only refund one half of your registration fee due to administrative cost. Please be sure to provide your correct email address on the registration form so we can contact you in case of cancellation. FRWA encourages the utility where the training class is to be held and all attendees who register to contact others to register for the training class to prevent cancellation

You may register online at [www.frwa.net](http://www.frwa.net). If you do not wish to earn CEUs, you may fax this form to 850.893.4581 or email it to [Admin@frwa.net](mailto:Admin@frwa.net). To pay by check, please complete this form and mail it with your company check to FRWA, 2970 Wellington Circle, Tallahassee FL 32309. The fee is payable by money order, cashiers check, or member system company check. (No personal checks or purchase orders will be accepted through fax or the mail.)

Due to problems associated with CEU forms, all forms must be obtained, completed, and submitted at the end of each session to be accepted.

**Seating is limited. Pre-registration is required.**

# Wastewater Process Control and Troubleshooting

Presented by

Florida Rural Water Association  
2970 Wellington Circle  
Tallahassee FL 32309  
850-668-2746

0.6 Wastewater CEUs/6PDHs

**March 10, 2020**  
**Edgewater FL**

## **SEMINAR OBJECTIVE**

Attendees will learn how to perform the necessary process control test to ensure plant effluent stays in compliance. Also, attendees will learn how to utilize ORP to help improve effluent quality.

## **DRIVING DIRECTIONS**

### **City Hall**

### **City of Edgewater**

104 N Riverside Dr  
Edgewater FL 32132  
386.679.6676

**Coming from the North on I-95.** Get off at the New Smyrna Beach East Exit (249A) onto Canal Street. At the first stop light, turn right onto South Glencoe. Stay on South Glencoe (turns into Taylor Road) until you reach a stop sign. At the stop sign turn right onto Old Mission. On Old Mission, turn left at the 2nd street (Park Avenue.) You will go over a slight bump in the road and the turn is immediately after it. Stay on Park Avenue across the railroad tracks. There will be a stoplight at US-1. Continue straight through the light. At the end of Park Avenue, there will be a stop sign. City Hall will be on your left.

**Coming from the South on I-95.** Take exit 244 for Edgewater. You will be on Highway 442 which is also Indian River Boulevard. Go across the railroad tracks to the stop light at US-1. Stay in the center lane to go straight across US-1. You will then come to a stop sign where you have to turn left or right. Take a left and follow Riverside Drive to the first stop sign. At the stop sign, you will see City Hall on your left.
