CEU INFORMATION

This class is a one day class, you may attend either on September 25th or September 26th, 2024. You do not need to attend both days to earn the 0.7 wastewater CEUs . You must preregister for this class if you wish to attend in order to reserve your seat. This class is subject to cancellation if registration is less than 10 attendees within 5 working days of the class. If the class is cancelled, FRWA will notify you and may only refund one half of your registration fee due to administrative cost. Please be sure to provide your correct email address on the registration form so we can contact you in case of cancellation. FRWA encourages the utility where the training class is to be held and all attendees who register to contact others to register for the training class to prevent cancellation

You may register online at www.frwa.net or email it to Admin@frwa.net. To register by mail, please complete this form and mail it to FRWA 2970 Wellington Circle Tallahassee, FL 32309.

Due to problems associated with CEU forms, all forms must be obtained, completed, and submitted at the end of each session to be accepted.

SEATING IS LIMITED TO 25 ATTENDEES, SO GET YOUR REGISTRATION IN EARLY!

PUMP MAINTENANCE AND ELECTRICAL SAFETY (0924DE)

You may register online at www.frwa.net. If you do not wish to earn CEUs, you may fax this form to 850.893.4581 or email it to Admin@frwa.net. To pay by check, please complete this form and mail it with your company check to FRWA 2970 Wellington Circle Tallahassee, FL 32309. Please complete date of class you will be attending.

Pump Maintenance and Electrical Safety Workshop

Presented by

Florida Rural Water Association
2970 Wellington Circle
Tallahassee, FL 32309
850-668-2746

0.7 Wastewater CEUs

September 25 or 26, 2024
Debary FL

SEMINAR OBJECTIVE

This class is a one day class, you may attend either on September 25th or September 26th, 2024. You do not need to attend both days to earn the 0.7 CEUs. The class will provide attendees with the knowledge to read and understand pump curves, basic hydraulics, electrical panel troubleshooting, pump repair and maintenance, and electrical safety.

FRWA will make every effort to comply with social distancing guidelines as outlined by the CDC to protect attendees. Hand sanitizer and Clorox wipes will be available for your safety. Masks are suggested and will be provided.
