CEU INFORMATION

This class provides 0.6 CEUs for drinking water, distribution system, or wastewater operators and 6.0 PDHs. Registration must be submitted to FRWA if you wish to attend the training class. There is no charge for those not wishing to receive CEUs, however if you wish to receive CEUs there is an Administrative Fee of \$35.00 for FRWA members and \$65.00 for non-members, \$75 for PDHs. Members who host the training class will pay a reduced rate of \$20.00 for their attendees. If the administrative fee is paid less than five days prior to, or within ten days after the seminar, the fee will be \$85.00 for members and \$115.00 for non-members. No payments will be accepted at the seminar or over the phone. FRWA must receive your written registration in order to reserve your seat.

FRWA will make every effort to comply with social distancing guidelines as outlined by the CDC to protect attendees. Hand sanitizer and Clorox wipes will be available for your safety. Masks are suggested and will be provided.

This class is subject to cancellation if registration is less than 10 attendees within 5 working days of the class. If the class is cancelled, FRWA will notify you and may only refund one half of your registration fee due to administrative cost. Please be sure to provide your correct email address on the registration form so we can contact you in case of cancellation. FRWA encourages the utility where the training class is to be held and all attendees who register to contact others to register for the training class to prevent cancellation

CEU forms will be handed out during class to those wishing to obtain CEUs. These forms are the only proof of attendance that will be recognized by FRWA as eligibility for CEUs to be awarded. Due to problems associated with CEU forms, all forms must be obtained, completed, and submitted at the end of each session to be accepted.

You must register as a PE in order to receive a Professional Engineer PDH certificate of attendance. The certificate will be issued and delivered at the end of the class to professional engineers that are paid in full.

You may register online at www.frwa.net. If you do not wish to earn CEUs, you may fax this form to 850.893.4581 or email it to Admin@frwa.net To pay by check, please complete this form and mail it with your company check to FRWA, 2970 Wellington Circle, Tallahassee FL 32309. The fee is payable by money order, cashiers check, or member system company check. (No personal checks or purchase orders will be accepted through fax or the mail.)

Agency

0.6 Drinking Water, Distribution System or Wastewater CEUs/6.0 PDHs

March 4, 2021 Fanning Springs FL

SEMINAR OBJECTIVE

This interactive workshop will help rural and small systems address a wide range of challenges. Tools developed by EPA, USDA and small system managers help improve management of operations and infrastructure. The Rural and Small Systems Guidebook to Sustainable Utility Management provides assessment tools for identifying and making operations improvements, how to improve long-term sustainability and increase resiliency of their systems. Attendees will develop a work plan to implement improvements at their system; and share information with their peers on common challenges and solutions.

FRWA will make every effort to comply with social distancing guidelines as outlined by the CDC to protect attendees. Hand sanitizer and Clorox wipes will be available for your safety. Masks are suggested and will be provided.

DRIVING DIRECTIONS

Fanning Springs City Hall 17651 NW 90th Court Fanning Springs FL 32694 352.463.2855

Turn onto NW 90th Court from US 19 just south of the Agriculture Inspection station. City Hall will be about 1/2 mile west of US 19 on the left
