It is strongly recommended that attendees/trainees receiving this notice take FRWA's On-line Introduction to Wastewater Processing. This is a great course to prepare you for the exam or as a refresher. This course includes quizzes and a final test. To access the course go to [www.frwa.net](http://www.frwa.net) and click on On-Line Training. On-Line courses are expensive to develop so there is a \$190.00 charge, however this course and the review course in this agenda will prepare you for a career as a State of Florida Certified Wastewater Operator, so this is a small price to pay!

**SEATING IS LIMITED TO 45 ATTENDEES, SO GET YOUR REGISTRATION IN EARLY!!**
