FRWA encourages the utility where the training class is to be held and all attendees who register to contact others to register for the training class to prevent cancellation.

It is strongly recommended that attendees/trainees receiving this notice take FRWA's On-line Introduction to Wastewater Fundamentals. This is a great course to prepare you for the exam or as a refresher. This course includes quizzes and a final test. To access the course go to www.frwa.net and click on On-Line Training. On-Line courses are expensive to develop so there is a \$190.00 charge, however this course and the review course in this agenda will prepare you for a career as a State of Florida Certified Wastewater Operator, so this is a small price to pay!

SEATING IS LIMITED TO 25 ATTENDEES, SO GET YOUR REGISTRATION IN EARLY!!
