REGISTRATION INFORMATION

Registration must be submitted to FRWA if you wish to attend the training class. You may fax your registration to 850.893.4581, or mail it to FRWA at 2970 Wellington Circle Tallahassee, FL 32309. FRWA must receive your written registration in order to reserve your seat. This class is subject to cancellation if registration is less than 10 attendees within 5 working days of the class. If the class is cancelled, FRWA will notify you and may only refund one half of your registration fee due to administrative cost. Please be sure to provide your correct email address on the registration form so we can contact you in case of cancellation. FRWA encourages the utility where the training class is to be held and all attendees who register to contact others to register for the training class to prevent cancellation.

It is strongly recommended that attendees/trainees receiving this notice take FRWA's On-line Introduction to Wastewater Fundamentals. This is a great course to prepare you for the exam or as a refresher. This course includes quizzes and a final test. To access the course go to www.frwa.net and click on On-Line Training. On-Line courses are expensive to develop so there is a \$190.00 charge, however this course and the review course in this agenda will prepare you for a career as a State of Florida Certified Wastewater Operator, so this is a small price to pay!

SEATING IS LIMITED TO 20 ATTENDEES, SO GET YOUR REGISTRATION IN EARLY!!
