

# WATER AND WASTEWATER TRAINING

## Hilton Daytona Beach Resort

100 North Atlantic Avenue  
Daytona Beach, FL. 32118

**August 4-5, 2020**

In an effort to find a venue large enough to allow us to practice social distancing, FRWA reached out to the Hilton Daytona Beach. This class offers the attendee the opportunity to earn 0.6 DW, WW, and DS CEUs while getting an update on what is happening in the water and wastewater industry.

**For the safety of our attendees this class is limited to the first fifty attendees.** It will be held in the Grand Ballroom in the South Tower, which is large enough to allow us to practice social distancing. We hope to find similar venues to enable us to provide on-site training in the future.

Registration will be \$50.00 for members and nonmembers. You can register online at [www.frwa.net](http://www.frwa.net).

Please join us at the beach for the opportunity to earn CEUs at the Daytona Beach Hilton. The Hilton CleanStay provides all guests with sealed clean guest rooms. You can take advantage of the FRWA discounted room rate starting at \$112.00 (this rate does not include \$8.00 self parking rate) plus tax. For reservations, please call 386.254.8200.
