- Those wishing to attend a **second** Focus seminar will receive only 0.3 CEUs toward their *other* (water/wastewater/distribution system) license for the afternoon session, since the morning session will be a duplication in all Focus seminars. *Attending more than two sessions is duplication and CEUs cannot be awarded for duplicate sessions.*
- This training is provided at no charge, however an Administrative/Processing fee (to ensure proper records are kept, tracked, and submitted per DEP requirements) of \$80.00 will be charged to those wishing to earn CEUs and pre-register. Those employed by a current member system will receive a discount (registration will be only \$50.00) if registration is received at least five business days prior to the event. The fee is payable by money order, cashier's check, credit card, or member system company check. (No personal checks or purchase orders will be accepted via fax or mail.)

- Questions related to your records for FRWA sessions should be directed to FRWA, not DEP.
- An attendee that leaves the room while the session is in progress may jeopardize their CEUs for that session. FRWA understands and realizes emergencies and special situations will occur, but will be unable to jeopardize the whole CEU program for one individual's special situation. We apologize for this.
- *To ensure seating even if you do not need CEU/PDH credits, please register online at www.frwa.net or mail your registration to the Florida Rural Water Association, 2970 Wellington Circle, Tallahassee FL 32309. Information cannot be taken over the telephone.*
