FIRST-TIMER TIPS

Welcome!

- **Attend the First-Timer Meet Up** on Wednesday morning at **11:15 in Crystal A-B** next to the Auction. This is a great place to meet other attendees and includes a quick networking activity.
- **Be sure to wear your name badge to all functions!** Look for the attendee type color bar to find Association Professionals (purple) and Associate Suppliers (teal).
- **Who Can Attend What?** We have a few functions that are limited to Association Executives, which means anyone that works in an association or AMC, but most things are open to everyone. Events that are **Executives-Only** are all clearly labeled.
- **Play Conversation Bingo** - The Young & Emerging Professionals (YEP) Committee created a networking/icebreaker bingo game for everyone to play! Use these conversation starters and even enter to win the YEP giveaway.
- **Attend Sessions & Sit with New People** - The BEST way to get to know other attendees is by attending education sessions. This is true for Associate Suppliers too!

Associates Too!

CONVERSATION BINGO

The **Young & Emerging Professionals (YEP) Committee** challenges you to play Conversation Bingo! We know it can be intimidating networking with so many new faces, so the YEPs put together these conversation starters/questions to ask folks you meet during conference!

Mark off a bingo square every time you use one of these conversation starters. The first person to mark off ALL the squares wins a prize basket with goodies to help you enjoy your stay at the Renaissance!

How did you get into associations?	What's something you learned today?	What brought you to this conference?	What keeps you excited about your field ?	What's a risk you've taken that has paid off?
If your job had a tag line, what would it be?	Can we connect on LinkedIn?	What's a personal goal your working on right now?	What's your favorite part about working with associations?	Do you have a favorite book or podcast?
What's one thing on your conference "must-do" list?	What's something that surprised you about your career path?		What's one fun fact about you?	What's something you're most proud of?
How did you get started in your industry?	Are you dressing up for the closing night, "The Art of Glow"?		What's your go-to small talk question today?	What's your favorite conference snack?
Have you met anyone new today?	Is this your first time at this conference?	Where did you travel from to get here?	Any tips for surviving long conference days?	Favorite city you've traveled to?

Turn in your bingo card to **Julia at the FSAE Auction Desk** in Crystal C-E / Auction room to claim your prize!

Community Project:

SCHOOL SUPPLY KITS

CANAVERAL

Thursday 3:30 - 4:30 PM

A Gift for Teaching is a nonprofit organization that serves public schools across Central Florida and acts as a primary source of free school supplies for teachers and students who need them most.

This year, attendees have the opportunity to **give back by building 285 school supply kits** during our Community Service Project on Thursday afternoon at 3:30.

By building a kit, you are doing more than supplying pencils and paper — you are giving children the confidence to raise their hands, the tools to express their thoughts, and the opportunity to thrive academically.

Join us in making a meaningful impact, one kit at a time.
