CLASS B COIN OPERATED AMUSEMENT MACHINE MASTER LICENSE AUCTION

INTRODUCTION

Pursuant to O.C.G.A. 50-27-73 (e), the Georgia Lottery Corporation (GLC) may issue Class B Master Coin Operated Amusement Machine (COAM) Licenses (Master Licenses) through a process of competitive auction to be established by GLC and such competitive auction shall occur at least once every three (3) years effective July 1, 2015.

This informational notice (“Notice”) describes and governs the Class B Master License auction that shall occur on **Wednesday, April 28, 2021**.

BACKGROUND

In 2013, Georgia House Bill 487, codified as Article 3 of the Georgia for Lottery Education Act (the “Act”), transferred responsibility for regulatory administration and enforcement of the operation of COAMs to GLC. O.C.G.A. §50-27-70, et. al.

Pursuant to O.C.G.A. §50-27-70 (in pertinent part), a bona fide COAM means every machine of any kind or character used by the public to provide amusement or entertainment whose operation requires the payment of or the insertion of a coin, bill, other money, token, ticket, card, or similar object and the result of whose operation depends in whole or in part upon the skill of the player. COAMs are categorized as either Class A or Class B.

This Notice relates to the auction of a Class B Master License.

No Class B Master Licensee shall have an interest in any location licensee. No Class B Location Licensee shall have an interest in any person or immediate family member of a Master Licensee.

For more information about the COAM industry, visit our website at www.gacoam.com.

AUCTION DATE

The auction shall take place at 250 Williams Street, Atlanta, Georgia in the auditorium located on the street level of the building on **Wednesday, April 28, 2021 at 10:30 a.m.**

MINIMUM QUALIFICATIONS

Pre-qualification is required to participate in the auction.

Any person or entity wishing to participate in the auction must be approved by GLC to be a bidder for any Class B Master License available at the auction. To be considered for qualification as a bidder at the auction, a person or entity must submit the following:

- COAM Pre-Qualification Auction Participation Form (Exhibit A)
- COAM Class B Master License Auction Deposit Letter (Exhibit B)
- \$100,000 Deposit (Certified Funds or Cashier's Check payable to the Georgia Lottery Corporation - COAM)

SUCH ORIGINAL INFORMATION AND DEPOSIT IN THE MANNER REQUIRED MUST BE MAILED TO THE GEORGIA LOTTERY CORPORATION LOCATED AT 250 WILLIAMS STREET, SUITE 3000, ATLANTA, GEORGIA 30303, ATTENTION: CAMILLE STOKES, BY APRIL 1, 2021 at 4:00 p.m. EST. Such original information and deposit will only be accepted via mail (USPS or mail courier service). Any incomplete pre-qualification information or any pre-qualification information received after such date and time may not be considered, at the discretion of GLC.

PRE-QUALIFICATION AND AMENDMENTS

Each owner or officer of a prospective bidder that will have an interest in the Master License business (should the bidder be granted a COAM Master License) must be listed on the Pre-Qualification Auction Participation Form. If any owner or officer is ineligible for a COAM license and disqualified from participating in the auction, the other owners or officers within the bidding group may also be disqualified from participating in the auction.

Each bidding group must designate a primary electronic mail (e-mail) address on the Pre-Qualification Auction Participation Form. GLC will rely on such e-mail address to communicate with the bidding group.

A deposit in the amount of \$100,000 must be submitted in the form of certified funds or cashier's check payable to Georgia Lottery Corporation – COAM.

Any prospective bidder and bidding group that pre-qualifies for the auction but does not participate or bid at the auction will have its deposit returned at the conclusion of the auction. The deposit shall only be returned directly to a person identified on the pre-qualification form and after completion of any required receipt to record the return of such deposit by GLC.

For any bidder or bidding group that pre-qualifies for the auction and participates and bids at the auction, the deposit shall be held by GLC for an additional ten (10) business days from the date of the auction. If a bidder or bidding group is informed by GLC that it made a winning bid (either at the auction or after the auction) and the bidder or bidding group declines to pay the winning bid amount within two (2) business days after notification, the deposit made by such bidder or bidding group shall not be returned or refunded by GLC. A deposit made by any winning bidder (or alternate winning bidder) shall not be refunded if the bidder fails to pay the winning bid amount within the time required, chooses to withdraw its application made to GLC, fails to comply with the submission of the application as provided by the Notice; fails to pursue its application made to GLC; or has its application denied by GLC due to criminal history, tax obligations, or fraudulent conduct. Further, except as otherwise provided herein, winning bid amounts (or any portion thereof) paid to GLC are not refundable.

Any alternate bidder that is informed by GLC that it made a winning bid on or after the date of the auction shall have by the end of the next business day to pay the winning bid amount to GLC after such notification by GLC.

A bidder's deposit of \$100,000 shall be applied toward the total winning bid amount for such bidder.

DISQUALIFICATION OF A PROSPECTIVE BIDDER

Any incorrect or false information submitted to GLC may result in a denial of a prospective bidder to participate in the auction. Any incomplete or untimely information submitted to GLC may result in a denial of a prospective bidder to participate in the auction. Any previous determination by GLC or by Executive Order that found a prospective bidder is unsuitable to hold a COAM license or be a Lottery Retailer may result in a denial of a prospective bidder to participate in the auction. GLC will conduct a criminal history background check on each owner or officer that is listed on the Pre-Qualification Auction Participation Form. If any owner or officer is ineligible for a COAM license, he or she may be disqualified from participating in the auction. If an owner or officer within a bidding group is disqualified from participating in the auction, any other owners or officers within the bidding group will also be disqualified from participating in the auction.

GLC, in its sole discretion, reserves the right to determine whether a prospective bidder meets the pre-qualification requirements described in this Notice.
