Georgia Lottery Corporation Coin Operated Amusement Machine Division
NOTICE
Form 1099-MISC

The Georgia Lottery Corporation (GLC) is required by federal law to provide a Form 1099-MISC to Class B Coin Operated Amusement Machine (COAM) licensees for its share of COAM revenue recorded in each calendar year. The miscellaneous income recorded on each 2016 Form 1099-MISC (Box 7) is the share of COAM revenue for each licensee operating under the taxpayer identification number identified on the form, as required by Federal Law. COAM Forms 1099-MISC will be mailed out by GLC by the end of January 2017.

If a COAM licensee is also a GLC traditional lottery retailer, it will receive a separate Form 1099-MISC for lottery revenue.

The Form 1099-MISC will contain the recipient's share of COAM revenue from the point the COAMs were connected to the Central Accounting System for the calendar year.

If you have any questions pertaining to the COAM Form 1099-MISC, please call our GLC Retailer Services Helpline at 1-800-7-HOTLINE (Option 6).
