

SPONSOR INFORMATION

October 1, 2026
Price LeBlanc PACE Center

The Greater Baton Rouge Industry Alliance (GBRIA) is proud to host the **2026 Women in Industry Forum** on **Thursday, October 1**, at the Price LeBlanc PACE Center in Gonzales.

Now in its 3rd year, this event brings together female leaders from the industrial community to mentor high school students who have shown interest in STEM and industrial career paths. Last year's forum was sold out, with 250 students, 100 industry volunteers, and 50 teachers attending, 400 in total.

Through hands-on career stations and interactive discussions, the event connects students with educational resources, career pathways, and real-life role models. For sponsors, it's a direct connection to the next generation of your workforce.

The event allows female industry mentors to share their journeys, offer advice, and form meaningful connections with students who may one day work alongside them.

We invite you to support the Women in Industry Forum by becoming a sponsor. In addition to recognition at the event, you'll also benefit from social media posts from GBRIA's 8,400 engaged followers across LinkedIn and Facebook.

Sponsorship contributions and reservations can be made online at **www.gbria.org**. If you prefer to make your payment to a 501(c)(3) organization, checks may be made payable to the Louisiana Construction Education Foundation (LCEF).

For questions about the event, contact Alicia Davidson at alicia@gbria.org.

Thank you for investing in the future of Louisiana's industrial workforce.

Alicia Davidson

**Director of Communications & Public Affairs
Greater Baton Rouge Industry Alliance**
