NORTH CAROLINA WILL MOVE TO PHASE 2

Gov. Roy Cooper announced North Carolina will enter the second phase of the three part recovery plan to re-open North Carolina at the end of the week. Phase 1 will end May 22nd at 5:00 PM and Phase 2 will take effect. Data shows the spread of the virus is increasing but stable and hospitals have the capacity to meet increasing demand.

The guidelines for Phase 2 is more moderate than originally presented early this month. Gov. Cooper said this modest approach was a precautionary measure based on the data which has lead the decision making process thus far.

Executive Order 141, Phase 2: Safer-At-Home provides new guidance that limits indoor gatherings to no more than ten (10) people and twenty five (25) people when outdoors.

Indoor and outdoor pools facilities may open but must comply with Section E of Executive Order 141. These requirements include limiting capacity to no more than 50% of maximum occupancy as determined by NC fire code. In addition to setting a max capacity in the water of ten (10) people per one thousand (1000) square feet.

Social distancing, masking wearing and hand washing is highly recommended as North Carolinian's move cautiously throughout the state.

Please see Executive Order 141 for full details regarding pool operations and further guidelines regarding Phase 2.
