

# GCAA Products & Services Council Subcommittee Sign Up Sheet

**PSC Subcommittees:** *the overriding goal of each group is to enhance the relationships between owner/management and associate (vendor) members. Specific areas of focus for each subcommittee are detailed below. Check the group(s) you're interested in & we'll keep you informed of their meetings and other activities.*

- Associate Development:** This group develops and executes a variety of programs designed to increase associate members' awareness of and involvement in the PSC, the GCAA, and the apartment industry.
  
- Trade Show:** These volunteers help plan an annual Trade Show to showcase our associate members' products and services. This event has long been the largest multifamily industry trade show in the Carolinas!
  
- Golf:** This group helps plan a day of high-quality networking and charitable fund-raising via an enjoyable golf outing.
  
- Executive Dinner / Reverse Trade Show:** These volunteers play an important part in developing and executing key Associate-focused events. **The Executive Dinner (odd years)** is an invitation-only, associate-sponsored, fine dining experience for regional managers and management company executives. **The Reverse Trade Show (even years)** offers Associates the opportunity to meet and learn from multiple apartment industry decision-makers in a single evening.
