## County Treasurer Charlie Winburn offers property tax payment plan for property owners who are behind on their property taxes in Hamilton County

Cincinnati, Ohio — Hamilton County Treasurer Charlie Winburn announced his property tax payment plan to assist homeowners and commercial business owners by giving them an opportunity to clear up delinquent property tax obligations and avoid a possible tax lien sale or foreclosure.

“There are approximately 1800 homeowners and 2500 commercial/business owners who are delinquent in their property taxes who may qualify for our plan **right now**. Without this plan, foreclosures and tax lien sales in Hamilton County could accelerate,” says Winburn.

He further states that, “I want to help property owners who may be struggling—**especially during the COVID-19 pandemic**—to avoid foreclosures and/or tax lien sales with a view toward collecting property taxes more efficiently and effectively.”
