

# EPA 608 CERTIFICATION

HOSTED BY THE GREATER DAYTON APARTMENT ASSOCIATION

**\$129** GDAA MEMBERS

**\$250** NON-MEMBERS

Friday

**NOV 22, 2019**

8:30AM - 5:00PM

**GDAA**

3155 Elbee Road  
Dayton, OH 45439

## CLASS DESCRIPTION

**Federal Regulations:** The Federal Clean Air Act, Section 608, requires anyone who services or repairs appliances and equipment containing regulated refrigerants to be certified. The EPA also restricts the sale of refrigerants to certified technicians only.

**Preparing for the Exam:** This course focuses on the handling of regulated refrigerants and is designed to help students pass the EPA608 exam. This class does not cover HVAC repair. Study prior to the class is strongly recommended! Study materials and practice tests will be made available at registration.

**What to Bring to Class:** Photo ID, calculator (not a smartphone), a #2 pencil and, your current EPA License (if already certified).

**Registration Fee Includes:** Prep-manual, EPA Exam Fee, and Lunch

## REGISTRATION
