Detailed count and mapping of existing lighting

“The lights look amazing! Service above and beyond! That is why we enjoy working with IEO and enjoy referring others to them”

Mark A. Lowell, Executive Director, St. George Village

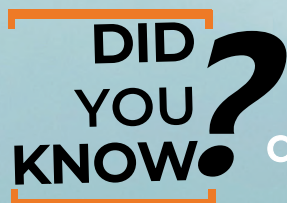

* On select lighting

“IEO has outstanding customer service and adapted the LED lighting solutions to our needs. Installation was done quickly, without getting in the way of our production. We would greatly recommend IEO to any company needing an LED upgrade”

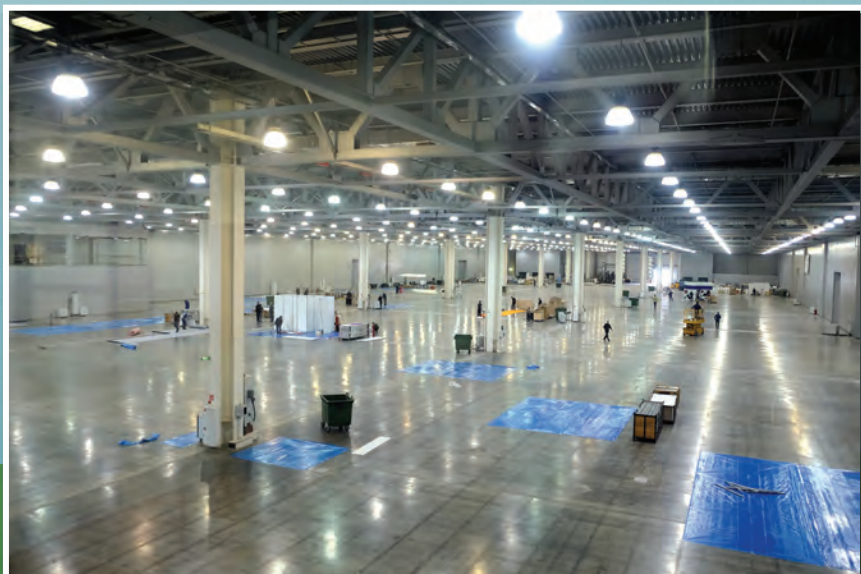

Nic Mulliez, Co-Founder, EPI Breads

Parking Deck, 275,000 sq ft, Atlanta, GA

Better lighting increases productivity while decreasing work related accidents and mistakes

Warehouse, 380,000 sq ft, Macon, GA

“I work in a 1.6 million sq ft building that runs 24/7 and was very pleased with the work of IEO in changing out 100% of the building’s lights. There was little to no disruption to my business operation. IEO was a great company to work with and were able to meet the deadlines established. I would recommend their work to anyone in need of LED lighting”

Ty Gasaway, DHL Operations Manager
