Reignmaker Communications

We take the complexity out of what should be simple solutions

ABOUT US

Who We Are

Independent, vendor-neutral technology procurement firm based in Woodstock, Georgia

300+ service providers in our portfolio

We simplify carrier and technology decisions by removing procurement confusion. Managing sourcing, contracts, and negotiations so you can decide with confidence.

Your independent advocate for infrastructure decisions with clarity, cost discipline, and long-term stability.

OUR SERVICES

What We Do

Infrastructure Visibility & Comparison

Clear visibility into connectivity and infrastructure options across all locations. Compare solutions side by side and make informed decisions.

Procurement & Contract Discipline

Introduce market competition, contract structure, and pricing discipline. Reduce long-term risk and uncontrolled cost escalation.

Lifecycle & Risk Management

Support from planning through implementation. Reduce operational risk tied to legacy systems, renewals, and reactive changes.

☆ SUCCESS STORY

Manufacturing Operations Optimization

Profile

Global manufacturer, U.S. HQ in Atlanta

5 strategic sites across Georgia, Arizona, Vermont

7 countries of operations

Challenge

Legacy infrastructure, fragmented vendors, unoptimized services created cost leakage and operational inefficiencies

Approach

- Comprehensive multi-location audit
- Strategic market competition introduced
- Inactive services eliminated
- Vendor consolidation
- Forward-looking infrastructure roadmap

Results

\$74K Annual Savings

From optimizing just three service lines

Takeaway: Reducing infrastructure risk created both stability and measurable savings
