

*Our members regularly point to the rising cost of healthcare as a number one challenge to business viability. We listened. We recently formed a partnership between GPCA and BasiCare Plus*

**Three affordable benefit bundles** are available to GPCA members that offer a family of nine unlimited, \$0 healthcare services. **Ranging from \$9.90 to \$49.90 per month**, these benefit programs help you recruit and retain while providing affordable care for employees and their families.

Decide what fits your budget and fills the need choosing from free urgent care, primary care, counseling and even prescriptions. BasiCare Care Plus also provides Spanish language support services for those requiring assistance. Please review the attached product profiles for detailed explanation of benefits.

*“The BasiCare suite of healthcare benefits is long overdue in the marketplace. Our business owners and employee families will find the technology, professional physician-care staff, and pharmaceutical services affordable, super convenient, and of superior quality. Considering adding BasiCare healthcare benefit products to your employee benefit package would be a wise decision.”*

Gary Black, Former Georgia Commissioner of Agriculture

From Summerville to Springfield, Cairo to Hartwell, and yes, even in every metro area of the Georgia, business owners and employees are in search of an affordable, reliable way to meet the healthcare demands of families. For Georgia Pest Control Association members facing this challenge – the search is over.

BasiCare Plus advisors are available to discuss program details, onboarding procedures, and communication strategies within your company and look forward to working with you.
