

ONE PENNY. COUNTLESS BENEFITS.

A SPLOST is one of the few ways our community can make major investments **without raising property taxes.** By adding just one penny to every dollar spent on eligible purchases, we can fund improvements that benefit everyone. It's a small contribution that, when combined across the community, creates a lasting impact for years to come.

New & Upgraded Fire Stations

Public Safety Upgrades

Transportation Repairs

Neighborhood Revitalization

Park Improvements

New E911 Facility

Public Facility Improvements

And much more.

One penny can help keep property taxes low while providing necessary funds to help us build a better community together.

BUILDING A BETTER COMMUNITY ONE PENNY AT A TIME.
