<b>Report/Status Update/Activities Completed</b>			
<ul style="list-style-type: none"> <li>• Contact with Regions 1-2 more sporadic than previous months. With school system closures in March (now until end of year for public schools), schedules more chaotic</li> <li>• Region mini-conferences (1 &amp; 3) recorded electronically and held virtually. Region 2 has been pretty silent during this time. Some communication to Jessica Atkinson but little else.</li> <li>• Unsure of membership numbers in Regions 1-2. I am seeking this information from GSCA office now.</li> <li>• Kevin Young in Region 1 continues to do a stellar job in the tasks of engaging his region's membership. He had the idea of a forming county level "Street Teams" that has now been incorporated as a strategy at the state level.</li> </ul>			
<b>Please include the following information in the next two sections:</b>			
<ul style="list-style-type: none"> <li>• <b>How it aligns with your plan of action</b></li> <li>• <b>Any background, history, research or references</b></li> <li>• <b>How it would benefit GSCA members</b></li> <li>• <b>Potential downsides</b></li> <li>• <b>Funding needed and timetable</b></li> <li>• <b>Projected income and expenses expected to impact future budgets</b></li> </ul>			
<b>Items for Executive Board Discussion</b>			
<ul style="list-style-type: none"> <li>• How to create, sustain and engage membership in more and more volunteer opportunities that are meaningful and contribute to the health and wellbeing of GSCA members.</li> <li>• How can we or can we reduce expenditures through leveraging ASCA resources (website, app for conference, etc.)</li> </ul>			
<b>Recommendations for the Executive Board (i.e. Motions or Ideas for Consideration)</b>			
<ul style="list-style-type: none"> <li>• <b>How to engage existing members in recruiting other members (discount on membership for each new member referred, spotlight on SM, having more volunteer opportunities like task forces, county contacts, etc.)</b></li> <li>• <b>How to generate GSCA involvement (what can they/we do) for and with GSCA on a regular basis? Do we need to create a list of the typical and irregular benefits of GSCA and promote these via all available means of communications?</b></li> </ul>			
<b>Other Comments</b>			
It has been my pleasure and honor to serve as Northern Director for the past two years. Thank you for the opportunity. I wish for and will work for the continued growth and health of GSCA in the coming years and decades.
