

# Elementary School Counselors Needed

*For a dissertation research study to fulfill  
the requirement of the researcher's doctoral education program*

## OVERVIEW & PURPOSE

Title: “Elementary School Counselors’ Experiences in Implementing Trauma-Informed Practices.”

The study’s purpose is to look at the experiences of school counselors. Interested counselors need to work with students 12 or under. This study will add to the research on school counselors.

## INCLUSION/EXCLUSION CRITERIA

1. Must be working as a school counselor in the U.S. with students under the age of 12
2. Have graduated with a master’s degree in school counseling or a counseling program with an emphasis on school counseling
3. Must be 21 years old or older
4. Must not know me
5. Must not have any disciplinary actions against them
6. Not retired

## PROCEDURES to ENROLL

1. Contact Researcher: Heather Rowan at [hrowan@capellauniversity.edu](mailto:hrowan@capellauniversity.edu) or (970)443-9301
2. Complete a Brief Screening Interview by Phone
3. Sign Consent
4. Complete a Demographic Survey & Schedule Interview

## TIME COMMITMENT

Interviews occur over Zoom. Allow 60 minutes. After analysis, you will review themes. Allow 15 to 30 minutes.
