Check-In

Hole Sponsors should arrive at TPC Houston by 7:00 AM. There is free parking in the lot, and check-in is outside, near the Clubhouse, from 7:00 – 8:00 AM. After check-in, if your hole does not have truck access, you will be given your own golf cart to take your items out to your hole. If your hole does have truck access, you're welcome to drive your own vehicle out.

Breakfast

Breakfast will be served at 7:30 AM at the Clubhouse.

Hole Assignment

Hole sponsors are pre-assigned, so the correct signage will already be in place at your hole before you arrive. At check-in, you will be given a packet with your hole assignment and other event information.

New this year: a table and 2 chairs are provided free of charge and will already be set up at your hole when you arrive.

Golf Carts

New this year, Houston BOMA has rented additional golf carts for hole sponsors. If your hole does not have truck access, your cart is yours to use for the whole day, including to get back to the Clubhouse for restroom breaks as needed.

TWO PEOPLE PER CART AT ALL TIMES — TPC HOUSTON WILL ASK YOU TO LEAVE THE COURSE IF MORE THAN TWO PEOPLE ARE SEEN RIDING ON A CART.

If you need extra hands getting your items out to your hole, we have plenty of other volunteer drivers available to help.

These carts are for getting your items to your hole and for your own restroom breaks, not for riding around the course to visit other holes or socialize. If this becomes a problem, we will not be able to offer hole sponsor carts again next year, and sponsors who misuse them risk losing cart privileges.

If you have truck access at your hole, you're welcome to use your own vehicle to make trips back to the Clubhouse if needed. When the tournament concludes, volunteers will be available to help bring you and your items back to the Clubhouse.

Lunch

Lunch will be served at 1:30 PM as players finish their round, with a full open bar at the Clubhouse. Hole Sponsor Pick-Up begins at 1:45 PM — volunteers will shuttle you and your items back from your hole.

THIS IS A GREAT WAY TO MINGLE MORE WITH THE PLAYERS

Beverages

Water and other non-alcoholic beverages are permitted at your hole.

Beverage Stations: There will be four stationary drink stations throughout the tournament, with two on each course. Please note that there will not be roaming beverage carts.

Alcohol at your hole: you MUST go through TPC Houston to have alcohol at your hole. No outside alcohol of any kind is permitted.

Games

When the tournament kicks off, there will be a few games happening at pre-assigned holes on each course: Beat the Pro, Closest to the Pin, Hole in One ($20,000), Hole in One Novelty, and Longest Drive (Men's and Women's). Volunteers will NOT be stationed at these holes. Winners are announced at the Awards Ceremony.

Issues

Should an issue arise, please notify a Houston BOMA staff member immediately. Please act responsibly as you represent your company and Houston BOMA. We want to keep a friendly and professional atmosphere.
