Identify Topics for Tech Sheets

No topics were identified at this time.

LinkedIn

Members discussed LinkedIn. A suggestion was made to excerpt content from the tech sheets and put it on LinkedIn as content. This might include FAQ or other more broad topics. Staff agreed to send a bulletin to members seeking content for the LinkedIn page and asking for media contacts for promotion of press releases.

LIFETIME ACHIEVEMENT AWARD

Staff noted that a bulletin on the lifetime achievement award would be sent in the coming weeks.

NEW BUSINESS

Members discussed frequency of technical committee meetings. It was agreed to continue to host two meetings a year but if members needed to call in, that option would continue to be made available.

Members discussed the location of the next meeting, including possible locations of Dallas/Fort Worth, Houston, San Antonio and Phoenix/Scottsdale. Staff will research and provide an update.
