## Employee Suite Learner Objectives

- Define sexual harassment and the two forms it can take.
- Understand the harmful impact sexual harassment can have on victims, businesses, and those who harass.
- Recognize conduct that's appropriate, and not appropriate, for work.
- Understand when and how to report sexual harassment.

## Manager Suite Learner Objectives

- All of the above, plus...
- Recognize employer and manager liability for reporting and addressing sexual harassment.
- Learn how to create a harassment-free culture in the workplace.
- Understand how to investigate sexual harassment claims in the workplace.

## Implementation Options

Install on your Learning Management System using a SCORM (1.2 compliant) package
