

2024 Tableware Options

Below you will find descriptions of the tableware available for the 2024 competition. Refer to the Culinary Competition procedures and rules, which outline the rules and requirements for the competition. Remember, you will need one plate for the starter, a second for the entree, and a third plate for the dessert, and you will be presenting two plates of each course. Please only request the plates needed, no extras. **Educators must indicate quantity of each plate during the online team registration process.**
