## PROFESSIONAL ACTIVITIES AND ACHIEVEMENTS

**Association of Esport Psychology (AEP)** is creating a science-based platform for gamers and esport players. All members have degrees in sport psychology ranging from a bachelor's degree to a 1-year master's degree from Halmstad University where prof. Xavier Sanchez is one of the tutors. During the 8-10th of September AEP got the opportunity to attend the European Finals of the esport League of Legends (LEC) and to speak about sport psychology.

## BOOK ANNOUNCEMENTS

The **Spanish Federation of Sports Psychology (FEPD)** has recently published two books:

1. Peris-Delcampo, D., Palmi, J., Gordillo, A. & Cantón, E. (coord.). (2023). *Introducción a la Psicología del Deporte 40 años después*. Ed. INDE.  
This book serves as a tribute to the first book on Sports Psychology published in Spanish in 1985 and replicates topics similar to the original edition with current authors and topics.
2. Peris-Delcampo, D., Roffé, M., Jodra, P. & García-Ucha, F. (coord.). (2023). *Salud Mental y Psicología del Deporte: fundamentos prácticos*. Editorial Imaginante.

This book is designed primarily for psychologists and other sports professionals seeking to understand and improve athletes' mental health at all levels.
