Dear Division 15 members,

Below, you can check the important news Division 15 has for June:

1. I am very happy to announce that we can already let you know who will be our next **Division President: Marija Davecheva**. I would like to congratulate her and **Stéphanie Racine**, who was the second most voted and who will serve as our next **First Vice-President**. Both Marija and Stéphanie have done an outstanding work during the past years and I am sure their experience and their eagerness to improve will result in a great advance of our Division in the years to come. Congratulations!!
2. We are still looking for **ambassadors in Africa and Oceania**. If you always wanted to transcend your borders and share your enthusiasm in applied psychology, we are waiting for you. Only requirements are to be an IAAP full member and part of Division 15, and be full of enthusiasm for collaborating in an international teamwork dedicated to spread psychology knowledge around the world. You can contact us through Twitter (@iaap15student), [Facebook](#) and gmail (iaap.student@gmail.com).
