DIVISION 8 ON ICP 2024

We hope to see you at 33rd International Congress of Psychology in Prague, Czech Republic (July 21 – 26, 2024)! Please check out the program at [ICP 2024 website](#) and make sure you attend the divisional symposium “Health and Stress: Recent advances relating to nutrition.” As communicated before, the symposium aims to foster global connections among (health) psychologists, offering insights into recent advances in nutrition behavior, psychological predictors, interrelations, and outcomes. Moreover, you will have the chance to meet some board members such as Prof. Dr. Yiqun Gan, the current president of the division, and Prof. Dr. Sonia Lippke, its past president.

If you have questions or ideas for further actions at ICP 2024, please do not hesitate to contact us at slippke@constructor.university. Thank you!
