

Call for IAREP Workshop and Summer School Proposals for 2025

Dear Colleagues,

Division 9: Economic Psychology, would like to share this opportunity below kindly offered by IAREP (International Association of Research in Economic Psychology). *IAREP is an association for all those interested in the areas where psychology and economics intersect. It has a wide international membership, drawn from psychologists and economists, but also from specialists in business administration, marketing, and consumer behavior.*

The IAREP Managing Committee requests proposals to organize summer schools and workshops in economic psychology organized by IAREP members (to become a member go to <https://www.iarep.org/index.php/membership>). We particularly encourage proposals with clear benefits for IAREP and the field of Economic Psychology, for example special sessions at a IAREP conference or a commitment for participants to become IAREP members. IAREP dedicates 1,500 to 3,000 Euros to sponsor a single workshop or summer school taking place in 2025. Be aware that the workshop or summer school must be in the field of Economic Psychology! Please submit your proposal to IAREP Honorary Secretary Eva Hofmann (e-mail: eva.hofmann@fernfh.ac.at) by **January 12, 2025**. The deadline might be extended by a week, if not sufficient suitable proposals are received.
