

## 2026 Membership Dues Structure

As of January 1, 2026, The Indiana Affordable Housing Council has announced a new membership dues structure in an effort to streamline and strengthen our value proposition. By consolidating our annual membership dues and Indiana Housing Conference sponsorship into a single, simplified structure, we aim to reduce the number of separate asks throughout the year, making it easier for our partners to plan and engage. Your membership is based on the calendar year from January to December.

In addition, IAHC is proud to announce the formation of the Indiana Affordable Housing Council Political Action Committee (IAHC PAC) — a new effort dedicated to advancing policies that promote affordable housing development and preservation across the state. With your 2026 membership renewal, you will now have the option to donate to the PAC. Your contribution makes a difference. Donations help us build relationships with elected officials and advance the policies that strengthen Indiana's affordable housing landscape.
