SPONSORSHIP PROSPECTUS

ABOUT THE IAIABC

Vision: A world free from the pain and loss of work injuries and illnesses.

Mission: Empower, educate, and connect the global workers' compensation community to reduce harm and aid recovery from work injuries and illnesses.

Since it was founded in 1914, the IAIABC has provided information and education on workers' compensation policy, regulation, and administration. Today, the IAIABC is the largest trade association of workers' compensation jurisdictional agencies in North America. Along with these government entities, various private organizations involved in the delivery of workers' compensation coverage, benefits, and services participate in the IAIABC.
