IASPA Mentor Training: 2026

Have you worked in Human Resources for 5 years or more? Do you remember what it was like being a new HR person - excited, nervous, and fairly certain that you were doing everything wrong?

The IASPA mentor program pairs highly-trained mentors with new HR professionals. The two meet regularly and use a carefully crafted curriculum to meet the mentee's needs.

The mentor receives administrator academy credit for this training, and the mentoring is a paid position through IASPA.

Many people tell us that they don't feel confident enough to serve as a professional mentor. Don't worry - we've got your back and will support you along the way.

Is it time for you to give back to the profession? Start now!
