AA #4047 Managing Bias In Hiring - Inclusive Hiring Practices

In this interactive session, we will examine how unconscious bias works, and its impact on decision making processes related to hiring. Participants will compare and contrast the different forms of bias that affect hiring decisions. Participants will utilize a “Musts/Wants” model to support the hiring of diverse talent...

AA #4065-Prioritizing Wellness in Schools Through CARE (Connection, Acceptance, Resilience and Empathy)

This course helps HR Administrators understand the importance of prioritizing wellness in schools for students' academic and social-emotional success. It covers the role of student voice, building adult capacity, and the psychology of mattering in fostering strong student-teacher relationships. Participants will review a student wellness framework, assess their district's progress, and begin creating a professional learning plan to integrate wellness competencies into their practices.
