## Member Tid Bits

Registering for events and buying job postings for the Job Board...

Please note that all members should make sure that they are logged into their own accounts when they are registering for an event. This will ensure that each member registering gets the member rate, and each ticket has the member's name associated with it.

The same goes for purchasing a job posting for the Job Board. When a member is logged into their account, they should also select themselves as the "purchaser" of the job posting. This will ensure the job posting is purchased at the member rate.

## Professional Development Events

From Webinar Wednesdays, Regional Networking Meetings, Professional Associate Meetings, the Annual Conference and so much more....
