IASPA's Annual Conference Starts Thursday!

We are looking forward to getting together this week for IASPA's Fifteenth Annual Conference. Get ready to connect, learn, laugh, and recharge. We promise you will return to your district with new ideas and a fresh perspective.

If you have registered for the conference, you should have received an email from Laurie Campbell (lcampbell@iaspa.org) with information to Know Before You Go. If you didn't receive this, please email Laurie right away.

IASPA's Professional Associate Network - First Meeting on January 20, 2022, from 2:15-3:00 PM

We are excited to launch our first Professional Associate Network and invite you to join us for quarterly meetings that will provide support for, allow collaboration with, and serve as a resource for fellow Human Resources colleagues. As a reminder, IASPA Professional Associate Members are non-administrative employees who are responsible for Human Resources functions. Whether you are new to Human Resources, new to Human Resources in education, or are a veteran in Human Resources, participation in the Professional Associate Network will assist you in building your support network, sharing information, learning new processes and procedures, and continuing to learn and grow.

Join us on January 20, 2022, at the IASPA Annual Conference at 2:15 p.m. in Birch/Hickory room for our first meeting. Successive meetings will be virtual to allow for all to participate. A guest speaker will join us for each meeting to briefly address key topics suggested by the group. Following that presentation, we will address any agenda items and have an opportunity for open discussion. We look forward to launching this network and are excited for the benefits which it will provide!

If you are not able to attend the conference, click on the button below to join the meeting virtually. The Professional Associate Network is open to IASPA professional associate members.
