**IASPA would like to take a minute to congratulate our very own Dr. Dale Fisher for being named a Leader of Distinction by HRO Today!**

Dr. Dale Fisher was nominated for the 2023 Chief Human Resources Officer (CHRO) of the Year Award from [HRO Today](#). There were over 200 nominations submitted for this highly sought after HR award. Of those 200 plus nominations, only 33 people were named as "Leaders of Distinction" - and our wonderful Dale was named one of those leaders! Dale was also in the final 4 candidates nominated for CHRO of the Year Award for the Non Profit Category!

Some of the other HR leaders that were named as Leaders of Distinction came from companies such as: Kraft Heinz, GNC, L'Oreal, Levi Strauss, Guitar Center, and many more. View all the Leaders of Distinction [here!](#)

Dale Fisher isn't just an HR Superstar in the education world, he is an HR Superstar across the entire HR industry! Congratulations, Dale!!!

Per Faith's Law (P.A. 102-702), public and non-public Illinois school districts are required to conduct an Employment History Review for all employees, contractors, substitutes, and all those with direct contact with students who are hired on or after July 1, 2023.

**Verifent provides an electronic Employment History Review process**

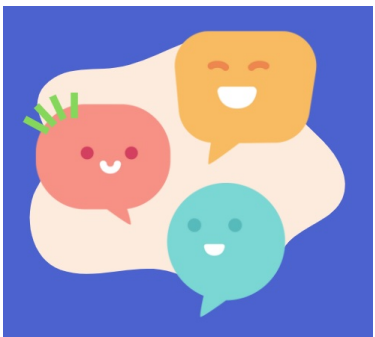

that is easier, more efficient, and more cost-effective than a paper process.

[Verifent](#) is an industry leader in the Employment Income Verification (EIV) process. As mortgage lenders pay the fee for this service, there is no cost to school districts! To assist school districts across the country, Verifent has added an Experience Verification (EV) product (including a misconduct component) in other states.

Most recently, Verifent is completing an Employment History Review component (per Faith's Law) for Illinois. This component is on track to be finalized on or before June 1, 2023.
