## IASPA BOARD POSITION

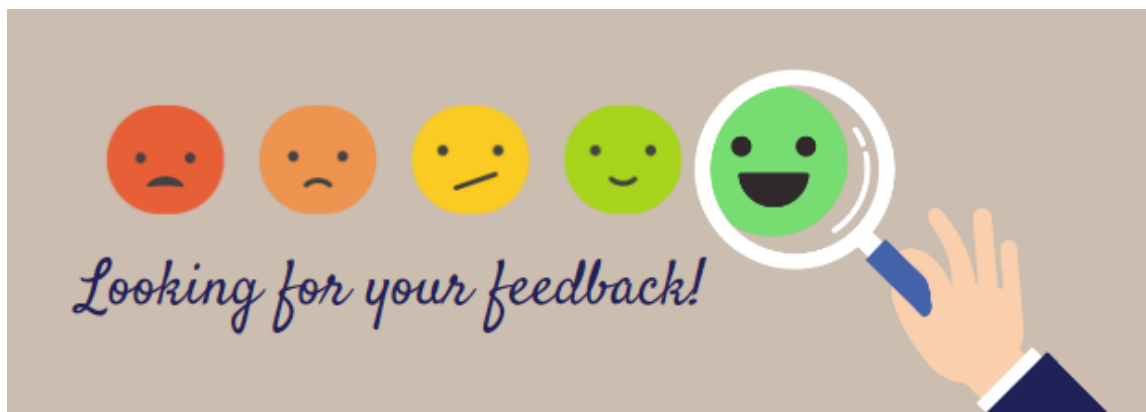

Are you interested in becoming more involved in IASPA? You may want to consider running for a Board position.

This year's open position is:

- **Board Secretary**

If you are interested in this position, please submit a [Nominations Form](#). Forms are due by 6/1/2023.

Questions should be directed to Ed Piotrowski, Nominations Committee Chair, at [epiotrowski@d204.lths.net](mailto:epiotrowski@d204.lths.net).

The Illinois Pipeline Policy Group is looking for school districts to participate in a Pilot State Exit Survey.

The research team conducting the survey believes that a statewide exit survey

can help provide valuable insights that can shape recruitment and retention efforts.

The survey would be administered by HR officials to educators that are leaving your district. By participating in this pilot group your district would receive a summary of responses from your district, and you will have access to see aggregate results from other participating districts from the pilot group.

Please consider having your district participate in the Pilot State Exit Survey. If you are interested or have any questions, please contact:

Shereen Beilstein - [beilste2@uillinois.edu](mailto:beilste2@uillinois.edu)

or

Tom Withee - [tom@gosheneducationconsulting.com](mailto:tom@gosheneducationconsulting.com)

For more information about this program and other research the group has conducted please click below:

Per Faith's Law (P.A. 102-702), public and non-public Illinois school districts are required to conduct an Employment History Review for all employees, contractors, substitutes, and all those with direct contact with students who are hired on or after July 1, 2023.

**Verifent provides an electronic Employment History Review process that is easier, more efficient, and more cost-effective than a paper process.**

[Verifent](#) is an industry leader in the Employment Income Verification (EIV) process. As mortgage lenders pay the fee for this service, there is no cost to school districts! To assist school districts across the country, Verifent has added an Experience Verification (EV) product (including a misconduct component) in other states.

Most recently, Verifent is completing an Employment History Review component (per Faith's Law) for Illinois. This component is on track to be finalized on or before June 1, 2023.
